The Israel Family reunion was held in Petach Tikva on the 24th of July and attended by over 60 descendents of Zvi Hirsh Mlynarzewicz from all over Israel and 7 from Australia.

The website has now been updated with email addresses, pictures and new family data.

Pictures have been posted. To view go to **Family Tree/Media/Albums/Israel Reunion 2009**

For the Israel Family email database, go to **Family Emails** and log in.

Many new individual pages have been created and others updated with new information and pictures.
